VA's Award-Winning
Personal Health Record

*Anywhere, Any Time Internet
Access to VA Health Care!*

Veterans Health
Administration

What *is* My HealtheVet?

My HealtheVet is VA's award-winning online Personal Health Record. It offers veterans anywhere, any time Internet access to VA health care. Launched nationwide in 2003, My HealtheVet is the gateway to web-based tools that empower veterans to become better partners in their health care. With My HealtheVet, America's veterans access trusted, secure, and informed health and benefits information, at their convenience.

Why log on to www.myhealth.va.gov, My HealtheVet?

The mission of My HealtheVet is to improve health care for all veterans by providing one-stop online access to better manage health, make informed health decisions and store important health and military history information. Register at www.myhealth.va.gov and become an active partner in your health care.

Register for Your 

VA Personal Health Record

- 1 Type www.myhealth.va.gov in the address bar on your web browser, and then press Enter. This takes you to VA's My HealtheVet website.
 - 2 When there, click the Register Today button. Complete the Registration Page, review and accept the Terms & Conditions and the Privacy Policy for using the My HealtheVet website.
- 
- 3 Log into your My HealtheVet account and begin to create your Personal Health Record.
 - 4 Begin using My HealtheVet to better manage your health and access VA health care and services at your convenience.
 - 5 Bookmark www.myhealth.va.gov as a favorite.

To get the most out of your My HealtheVet Personal Health Record, visit your local VA facility to get an upgraded account, known as In-Person Authentication (IPA).

Is an Upgraded Account, or In-Person Authentication, for me?

Yes, if you want to see the names of VA prescriptions, not just the numbers; find out about local VA events; and be the first to access all new My HealtheVet features that will enhance your Personal Health Record. Ask about IPA at your next clinic visit. It's one step closer to becoming an active partner in your health care.
